ACCESS CHAIRS

ABOUT

Ideal for zero-depth entry and ramp entry pools, PVC Access Chairs are vital when a pool lift isn't your main point of access. A user's everyday chair is often a costly investment that is not intended for aquatics; our Access Chairs provide a practical and affordable solution for those who want to fully enjoy the pool without damaging their everyday chair.

These chairs are perfect for locker rooms and splash pad parks as well. Take advantage of all types of pool access with PVC access chairs!
