

PROTONE FITNESS MACHINE

TRAINING & EXERCISE

ITEM# F-PTN

ABOUT

The ProTone™ Fitness machine is uniquely designed to provide the ultimate workout for wheelchair users. For those with limited mobility and gripping capabilities, it's sliding and hand crank adjustments with no-grip locking knobs and handles allow for easy manipulation and adjustments. This design allows individuals to devise a work out specifically geared towards their own capabilities easily and without assistance from others.

The ProTone™ Fitness is ideal at rehabs, hospitals, gyms, colleges, fitness centers, as well as private residences. Commercial quality fitness equipment at a home gym price!
