

# PROWAVE POOL BIKE

## TRAINING & EXERCISE

ITEM# F-PWRWV

### ABOUT

Uniquely designed for underwater use, the ProWave combines cycling with the power of water to bring you a more efficient workout that comes with a plethora of health benefits. With a riding position similar to that of a spin bike, this model can be placed in pools or even swim spas to really crank up the resistance!

Use the ProWave at home, or in group exercise classes for engaging year-round programming that increases class retention!

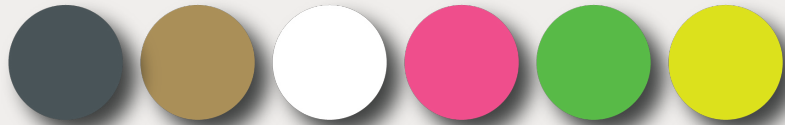

### FEATURES:

- 300 lb (136 kg) weight capacity
- 38 lb (17 kg) product weight
- Adjustable seat and handlebars
- Barefoot use
- Multiple levels of resistance
- Scratch resistant transport wheels
- Stainless steel with durable powder coat finish
- Limited three (3) year warranty
- Ships small parcel, some assembly required
- Made in USA

### COLOR OPTIONS:

NO ORDER MINIMUM & NO ADDITIONAL COST

### PROUDLY SOLD BY:

ORDERS OF 5 OR MORE
