

SWIM TRAINING PLATFORM

SWIM TRAINING & THERAPY

ITEM# F-250TTP

ABOUT

Built from furniture grade PVC with skid resistant footing, this platform's medical-grade polypropylene deck is UV protected and will not warp, dent, or splinter even in the harshest conditions! Staying cool even in extreme temperatures, this multi-purpose design can be used for many different applications.

For swim lessons, the Swim Training Platform is a fantastic tool that provides students with a greater sense of security and a less intimidating approach to the water, or an island that children can swim back and forth to. It is also ideal for submerged pool and spa seating, or even aquatic exercise. Whatever you choose to use it for, the Aqua Creek Swim Platform will prove to be one of your most versatile pool accessories.
